

The *Friends of the Reedsburg Public Library* was incorporated in 1994 as a non-profit, tax-exempt 501 (c)(3) organization to seek private sector support to supplement tax-based funding for the library. Contributions to the Friends of the Library help strengthen the collections, expand programs, and enhance services. A strong public library is the foundation upon which a community can preserve the past, empower lives today, and build for the future.

**The *Friends of the Reedsburg Public Library* provides a variety of support to the library.** The group sponsors educational, cultural adult and children's programs throughout the year. They have implemented the "Books for Babies" program, supplied prizes and performers for the Adult and Children's Summer Reading Programs as well as supporting the Homebound Library Service. Friends' volunteers assist with organizing and operating library book sales four times per year as well as other fundraising efforts, which supplement the library's programming and materials budget.
