

Dinner Thieves LLC

We designed our kitchen for multi-tasking. Here we provide nutritious meals with a convenient pre-order concept so you can plan your week ahead of time and save yourself the worry of what to make for supper or dinner. Our containers are freezer safe so you can get all your meals in one stop. Pop some in the freezer for later in the week and enjoy them when it is most convenient. There are many other things going on in the Thieves kitchen like our youth cooking classes, hourly kitchen rental for just about any need, nutritional education classes and meal prep classes. We not only want to cook great meals for you but also educate our community on how to use locally grown produce and the benefits that come from it. Thank you for allowing us to share our passion with you and your family.

Parents or Guardians please fill out the following information. If your child has any allergies or food they can or should not eat please let me know as we will be tasting foods throughout the program and using a variety of food products.
